

**CAUGHT A TARTAR.**—Mr. James P. Foster, president of the republican national league, recently sent a circular to the Glen Rock (Pa.) Machine Company, requesting a contribution to assist the republican cause, but in return received the following, signed by the Glen Rock Machine Company, limited: "We beg to acknowledge the receipt of your appeal for money for the various purposes you name under the mantle of protection to home industries. We desire to advise you that we are in favor of the Mills bill heart and soul, believing as we do that it stands for the best interest of the manufacturers and laborers as well. We regard your 'Step into my parlor, said the Spider to the Fly' invitation to co-operate with the republican league under these false pretenses with amazement. We agree with you entirely that there is great danger that Grover Cleveland will be re-elected President of the United States, and pray a God-speed to the consummation of this very desirable end. The country was in this danger once before and the result is in marked contrast with the malicious, misleading, dishonest scare crowd predictions of the G O P four years ago. In the very light of this experience we confess we stand almost dumfounded at your presumption. We have no sympathy whatever with your aims and purposes, we do not believe you are actuated by principles of common honesty, and earnestly hope your candidate will be beaten out of sight."

**ADVICE TO MOTHERS.**  
Mrs. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States and has been used for forty years for the same purpose. During the process of teething its value is incalculable. It relieves the infant from pain, cures dysentery and diarrhea, griping in the bowels and wind-colic. By giving health to the child it rests the mother. Price 25 cents a bottle.

**THE GOLD MINING COMPANY.**  
LOCATION—MUSIC MOUNTAINS, MOHAVE COUNTY, ARIZONA.  
(INCORPORATED UNDER THE LAWS OF WEST VIRGINIA.)  
**CAPITAL STOCK, \$625,000.**  
NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.  
**OFFICERS.**  
President, Hon. W. P. CANADAY, Washington, D. C.  
Secretary, WILLIAM S. ODELL, Washington, D. C.  
Vice President, J. Q. BARTON, More Island Navy Yard, Cal.  
Treasurer, Hon. JOHN R. SHIPMAN, Washington, D. C.  
General Manager, CHAS. W. CUNNINGHAM, Hackberry, Arizona.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.  
The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.  
The Gold Mining Company (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.  
The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.  
Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.  
A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.  
The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.  
There is no better stock on the market for a permanent investment.  
For full information in regard to this Mine apply to the
